

Town of North Castle Open Space Resident TouchTone Survey[®]

Preservation of the Open and Natural Areas of Our Town

Traffic, recreation, water quality, the environment, and overall quality of life are all issues that are important to North Castle's residents. The preservation of open space directly affects all of North Castle in these and many other ways. Currently, some of our open land is under development or could be in the future. Here is your opportunity to tell Town decision makers how you feel about open space preservation.

Please take **30 seconds** of your time to register your opinion by touchtone phone, anytime, day or night. Check only **ONE** answer per question and record the **number** of each answer in the boxes below. **YOU MUST ANSWER ALL QUESTIONS TO REGISTER YOUR INFORMATION.** Thank you for your participation!

- See the instructions at the bottom of the survey form for exactly how to do so.
- Please take a moment to answer the questions on the back page and use your telephone to register your responses as soon as you can before July 23, 2004.
- The Town Board and the Open Space Committee would like to know whether North Castle residents support the acquisition of open space with tax dollars.
- The existence of this fund would demonstrate North Castle's dedication to preserving open space and enable North Castle to leverage additional funds from the County and State to be used for the purchase of land.
- Another method is to create an Open Space Preservation Fund that would provide cash for the purchase of open land in North Castle. If such a fund is created, the money in it could not be used for other Town purposes.

North Castle is currently using several planning and zoning techniques to further this goal.

Many of you have expressed your concern about the preservation of open space and future planning of development in North Castle.
